#### INFORMATION ON TIME LIMITS FOR ENTERING THE NATIONAL PHASE

The applicant is reminded that the "national phase" must be entered before each of the designated Offices indicated an one cover sheet of this Northcated by paying instead fees and foreishing translations, as prescribed by Articles 22 and 39 and the applicable national laws. In addition, the applicant may also have to comply with other special requirements applicable in certain Offices. It is the applicant's responsibility to course the necessary steps to other the national phase are taken as a timely believe. Most Offices its not issue immediates to applicants in connection with the entire into the neticial grass.

The applicable time limit for entering the national phase will, subject to what is said in the following paragraph, he 30 MCNTHS from the priority date, not only in respect of any effected Office if a demand for international proliminary examination is filled before the expiration of 19 months from the priority date (see Article 34(19), but also in respect of any designated Office, in the absence of hing of such demand where Article 22(1) as modified with effect from 1 April 2002 applies in respect of that designated Office. For finites details, see PCT Beastle No. 44/2001 of 1 November 2001, pages 19936, 19935, and 19934, as well as the PCT Newsjetter, October and November 2001 and February 2002 issues.

In practice, time limits other than the 30-month time limit will continue to apply, for various periods of time, in respect of certain designated or elected Offices. For regular updates on the applicable time limits (20, 21, 30 or 31 months, or other time limit), Offices by Office, refer to the PCT Gazetra ("Section IV" part published on a liwerity basis), to the PCT Newcletter (on a monthly basis) and to the relevant National Chapters in Volume II of the PCT Applicant's Guide (the paper version of which is opdated usually on a liwestly basis). Note that only an applicant who is a national or resident let a PCT Contracting State which is bound by Chapter II has the right to file a demand for international preliminary examination (at present, all PCT Contracting States are bound by Chapter II).

#### REQUIREMENTS REGARDING PRIORITY DOCUMENTS

For applicants who have not yet complied with the requirements regarding priority decuments, the following is recalled

Where the priority of an earlier national, regional or international application is claimed, the applicant must submit a copy of the surfer application, certified by the authority with which it was filed ("the priority document") to the receiving Office (which will transmit to the International Bureau) or directly to the International Bureau, before the expiration of 16 months from the priority date, provided that the priority document may still be submitted to the International Bureau before that date of international publication of the international application, in which case that document will be considered to have been received by the International Bureau on the last day of the 10-month time limit (Rule 17.1(a)).

Where the priority document is issued by the receiving Office, the applicant may, instead of submitting the presity document, request the receiving Office to prepare and transmit the priority document to the International Bureau. Such request most be made before the explication of the 16-month time limit and may be subjected by the receiving Office to the payment of a fee (Rule 17, 16):

If the priority document concerned is not submitted to the International Bureau or if the request to the receiving Office to prepare and transmit the priority document has not been made (and the corresponding fee, if any, paul) within the applicable time limit indicated under the preceding paragraphs, any designated State may desregard the priority claim, preyided that no designated Office may disregard the priority claim concerned before giving the applicant an opportunity, upon entry into the national phase, to furnish the priority document within the time that which is reasonable, under the circumstances (Rule 12, fict).

Where several priorities are claimed, the priority date to be considered for the purposes of computing the 16-month time limit (and all other PCT time briefs) is the filling date of the realiest applicance whose priority is claimed (Article 2(xi)(b)).
